

FRASER RIVER STURGEON
CONSERVATION SOCIETY

Sturgeon Conservation **CHALLENGE**

July 15, 2023 – May 9, 2024

Donate an Item in Support of our Silent Auction

On behalf of our Founding Chair Rick Hansen and the Fraser River Sturgeon Conservation Society (FRSCS) Board of Directors, we humbly ask for your support in this year's Sturgeon Conservation Silent Auction and Gala. The only fundraiser of its kind, the annual event raises much needed funding to protect and restore Fraser River White sturgeon. 100% of the funds raised support this incredible species.

Together, we can make a difference for White Sturgeon

Auction items help us raise critical funds for the restoration and protection of the mighty Fraser River White Sturgeon. Please help us by donating quality items to this year's silent auction, to help us restore these fish to abundance.

We thank you for your consideration and support and hope you will join us at our Gala Dinner, Awards and Auction on May 11th 2024, at the Coast Langley Hotel. You are making a difference and providing a sustainable future for the last truly wild population of White Sturgeon in the world!
